

AirAsia Introduces Direct Flight “Bangkok-Sihanoukville”

Find New Experiences in Cambodia’s Beach Getaway from Only 990 THB/Trip

Bangkok, 22 April 2019 - AirAsia continues to grow its presence in Thailand with the announcement of direct flights from Bangkok (Don Mueang) to Sihanoukville in Cambodia.

The new four times weekly flights, commencing 1 July 2019, will connect Thai travellers to Sihanoukville, one of Cambodia’s favourite beach destinations.

To celebrate, AirAsia has launched special promotional fares starting from just 990THB one-way*.

AirAsia Thailand CEO Santisuk Klongchaiya said, “AirAsia continues its expansion plans in 2019. We want to be known for having one of the most extensive networks in Thailand and with the introduction of new destinations like Sihanoukville, we can continue to facilitate tourism and investment opportunities between Thailand and Indochina.

“The new route is expected to serve the millions of foreign travelers who use Thailand as a hub, meanwhile for Thai travelers, Sihanoukville offers an affordable beach and cultural getaway.”
