- 2.1 Steps for using Inventech Connect (E-Voting) via PC / Laptop are as follows:
 - 1) Shareholders click the link to attend the Shareholder Meeting via E-mail "Approved confirmation to use Inventech Connect".
 - 2) Use Username and Password that you receive via E-mail to Sign in.
 - 3) This step will be considered that the shareholders have completed the registration to attend the meeting. The number of shareholders' shares has been counted as a quorum, then click the button "Go to registration page watch live" to start watching the meeting via Cisco Webex Meeting application
 - 4) Then the system will display "Event Information". Fill in the information on the right side of "Join Event Now" with the following details:
 - The system will display shareholder name and proxy name in the "First name" field.
 - The system will display shareholder registration number in the "Last name" (In the case of proxy, the Asterisk sign (*) will appear after the shareholder registration number in the "Last name" field.
 - Shareholder must fill in their correct E-mail in "E-mail address" (The same E-mail that was used to send e-request)
 - Event password is automatically fill in the "Event password". There is no need to make any changes.
 - Then click "Join Now" button.
 - 5) Then click "Run a temporary application" to access the Application Cisco Webex Meeting.
 - 6) Click the "Join Event" button (green) to join the meeting via Application Cisco Webex Meeting.

- 7) The system will display 2 section screens; one on the left showing live broadcasts or showing various results within the meeting. And, another one on the right which is for the Q&A and Multimedia Viewer functions showing the login page of the EGM e-Voting system.
- 8) Then click the "Continue" button (blue) on the right hand side of the Multimedia Viewer function. The system will display the login screen for the EGM e-Voting system. Enter the Username / Password from the approval notification email for the EGM e-Voting request and click the "Sign in" button.
- After completing registration, shareholders may view which agenda may be voted by clicking the "Select Agenda" button.
- 10) The system will display the agenda that can vote. It will show "Voting Status : Pending".
- 11) When Shareholders wish to vote, choose the agenda to vote. Then the system will show all 4 voting buttons 1. Agree (green) 2. Disagree (red) 3. Abstain (orange) 4. Cancel your last vote (blue)

*To cancel your last vote means that your most recent vote will be equal to not voting, or your vote will be determined by the meeting. And, voting may be changed until that agenda ends voting results submission.

- 12) Shareholders may check the votes of the agenda after the agenda has been closed for voting results submission by selecting the required agenda. After that, the system will display graphs and scores for that agenda.
- 13) In the event that a shareholder has authorised multiple accounts, select the "User Icon" and click on the "Switch Account" button to access other accounts. Votes and quorum will not be removed from the meeting.
- 14) Shareholders may leave the meeting by selecting the "User Icon". And, click the "Leave Meeting" button.

*In this step, if the shareholder leave the meeting during the meeting, the system will remove the votes of the shareholder from the meeting on the agenda that has not yet been processed.
