Agenda 3 To acknowledge the Board of Directors' report on the Company's operating results for 2021

The Chairman of the Meeting stated to the Meeting that the Company summarised the past operating performance and significant changes in 2021, details as appeared in the Annual Report (Form 56-1 One Report). This year, it can be viewed by scanning the QR Code on the registration certificate that has been sent to the shareholders together with the invitation letter. This agenda did not require the shareholders' votes because it was the matter for acknowledgment.

Mr. Santisuk Klongchaiya, Chief Executive Officer, was asked to inform the Meeting.

Key Operating Performance 2021

- The passenger carried in FY2021 was recorded at 2.9 million people or down by 69 percent from FY2020, mainly due to a contraction in the number of passengers. As a result, the average fare dropped to Baht 1,090 from Baht 1,199 in the previous year.

- Available seat kilometres (ASK) in 2021 was 3,002 million seats-km, dropping 70 percent from the previous year due to the COVID-19 outbreak in late December 2020 and mid-April 2021 including a temporary suspension of domestic flights in quarter 3/2021. As a result, the average stage length was reduced to 688 km per flight.

- The company has continued to manage its flights and seats to meet the travel demand, resulting in a load factor of 68 percent, decreasing from 75 percent in the previous year, while the aircraft utilisation fell to 5.6 hours per day. In 2021, we operated domestic flights to 23 destinations and international flights to 2 destinations, totalling 24,011 flights.

- On-time performance (OTP) increased to 97 percent, better than the company's target of 90 percent. This was the cooperation of all departments to provide the best service for our passengers. It emphasises that "punctuality" is an essential standard, as well as safety and hygiene that we have always adhered to.

- Moreover, two Airbus were retired during the year, bringing the company a total fleet of 60 aircraft by the end of 2021.

Summary of Financial Results

- In FY2021, total revenues of Thai AirAsia amounted to Baht 4,508 million, decreased by 72 percent from Baht 16,236 million in FY2020. Primarily, revenues from sales and services amounted to Baht 3,828 million, which decreased by 72 percent compared to the same period last year. This resulted from contractions in passenger traffic and average fare of 69 percent and 9 percent, respectively. The ancillary revenue also reduced (accounted for 17 percent of total revenue), mainly due to a decrease in passenger and international flights as mentioned above. Besides, the Civil Aviation Authority of Thailand (CAAT) announced a ban on the sale of food and beverages onboard, affecting the revenue of checked baggage, freight charges, and in-flight services.

- In FY2021, total expenses of Thai AirAsia amounted to Baht 16,256 million, decreased by 32 percent compared to the same period last year at Baht 23,795 million, mainly due to the costs of fuel, staff, ramp and airport operations, guest services and distribution that decreased with respect to the flight volume. Additionally, there were other expenses of 3,900 million baht, mainly from unrealized exchange losses of 3,654 million baht.

- As a result, Thai AirAsia had a net loss of 11,786 million baht.

Sustainability Achievements in 2021

- Asia Aviation Plc. has been selected into the Thailand Sustainability Investment (THSI) for the year 2021, which is the only airline company listing in THSI for the third consecutive year.

- Sustainability Achievements in 2021 are categorised according to the company's sustainability strategies: GOOD, GREEN, and GROWTH. It indicates the effectiveness of the business driving with sustainability and is a guideline to create business opportunities and respond to future challenges.

- On-Time Performance (OTP) is one of the flagships of sustainability. In 2021, the OTP stood at 97 percent, reflecting the quality of integrated performance across all parties, in which we are the only Thai airline that receive the award for the world's most punctual airline by Cirium in the third rank of low cost airline.

- Thai AirAsia's Waste Management aims to reduce landfills waste to zero by implementing the 5R: refuse, reduce, reuse, recycle, and repair. Consequently, the company had a recycling rate of 88 percent, better than 56 percent in the previous year. Meanwhile, we can reduce paper consumption by 62 percent due to optimising the capacity of paper documents and digitising paper documents.

- In addition, Thai AirAsia has evaluated its carbon footprint scope 1 and 2 to measure the effectiveness of its operations in reducing greenhouse gas emissions, which licensees have verified to ensure that the greenhouse gas emissions disclosure is accurate and in line with international standards. However, the amount of greenhouse gas emissions compared to the previous year was lower due to the contraction in the number of flights and the implementation of the work-from-home policy.

- In terms of the social aspect, the company has achieved several goals. For example, no fatal accidents during work and 100 percent of the active employees completed the training, with an average specialised training of 24 hours per person per year.

Business Strategy

Thai AirAsia aims to be the market leader in primary and secondary routes in order to achieve higher returns, especially in the domestic market, and is prepared to support growth in the number of connected passengers both domestically and regionally. We have strategically positioned our base at Suvarnabhumi Airport to strengthen our domestic routes and include cargo routes as part of our expansion plans on international routes to ensure that we have competitive advantages in both passenger and cargo to maintain market leadership.

Our Network

- Thai AirAsia will continually manage the number of seats and routes to achieve maximum efficiency and maximise profit by adjusting flight frequency, route cancellation and/or rerouting to meet travel demand.
- Thai AirAsia plans to increase its domestic connecting flights by increasing the frequency and opening inter-regional routes to meet the needs of travellers to return to flying 100 percent of domestic routes within this year.
- Considering the opening of international routes following the plans to open the country of the destination country. Recently, it has opened flights to 7 countries and 18 routes to Maldives, Cambodia, Malaysia, Singapore, Vietnam, Indonesia, and India.

Revenue Growth

- Thai AirAsia plans to boost revenue from year-round promotions and campaigns, such as the Super+ Pass, by including tickets for flights in Thailand and ASEAN, unlimited free food delivery service and travel cancellation insurance.
- Ready to provide connecting flight services, both domestic and international (Fly-Thru), including connecting services to islands and cities.
- Additional revenue from air cargo and logistics business.
- Thai AirAsia has expanded its business to the airasia Super App platform, aiming to be the leader in travel and lifestyle in the Asia-Pacific.

Operational Efficiency

- Thai AirAsia has expanded its network and management system to promote savings and effective management (Lean Management) in preparation for future competition.
- Thai AirAsia has enhanced its flight efficiency through green operations to support sustainable travel.
- Thai AirAsia has initiated innovation and technology to offer safer and more convenient travelling, focusing on adding new flying experiences and measures to reduce exposure for the convenience and safety of passengers.

There was neither further opinion nor question from the shareholders on this agenda. Then, Chairman of the Meeting informed that this was the matter for acknowledgement, which did not require any resolution, the Meeting should proceed to the following agenda.

Agenda 4 To consider and approve the Balance Sheet (Statements of Financial Position) and Statements of Income for the year ended December 31, 2021

The Chairman stated to the Meeting that, according to Public Company Limited Act, B.E. 2535 (1992), companies shall prepare Balance Sheet and Statement of Income at the end of each fiscal year, to be audited by auditors and presented to the shareholders at the Annual General Meeting of Shareholders for approval. The Company's Financial Statements for the year ended December 31, 2021, which were audited and signed by Mrs. Kunlapee Piyawannasuth, Certified Public Account (Thailand) No. 6137 of EY Office Limited, and reviewed by the Audit Committee.

Mr. Phairat Pornpathananangoon reported to the Meeting that the supporting documents required for 2021 balance sheet approval will start from Thai AirAsia as follows:

- Thai AirAsia had total revenue of 4,508 million baht, a decrease of 72 percent from 2020, mainly due to a decline in sales and service income affected by the COVID-19 pandemic. Consequently, passengers dropped 69 percent from the previous year.

- Flight management in accordance with the travel demand allows the company to reduce fuel costs based on fuel consumption, including employee wages, which were decreased mainly from the leave without pay and furlough schemes. In the same way, ramp and airport operations were reduced from a discount on landing, parking, and air navigation charges, resulting in a net loss of 11,786 million baht and a loss per share of 262.62 baht.

- Thai AirAsia had total assets of 45,509 million baht, a slight increase as a resulting from the current assets increase from aircraft sales and leaseback. This will increase net deposit of aircraft rental and amortisation of reserves for aircraft maintenance. In the meantime, there is a decrease in cash and cash equivalent.

- Total liabilities increased 16% from the previous year to 56,464 million baht mainly due to the restructuring of operating lease of aircraft by extending the rental period.

- Shareholders' equity had a loss of 10,955 million baht comparing with 3,496 million baht from the previous year mainly due to operating loss for the year. Though there was an interim capital increase as described in Agenda 1 that the Company went through restructuring and capital increase, which can be divided into 2 phases. The first phase was in December. The second phase was in January. With regard to the closing of fiscal year 2021, only the first phase has been completed.

Separate financial statements of Asia Aviation

- Revenue as equal to the previous year at 26 million baht. The Company's net loss increased to 127 million baht mainly due to company restructuring.

- In the Balance Sheet, total assets increased by 10,925 million baht from 3,170 million baht in the previous year, resulting in the total assets of 14,095 million baht at the end of the period, mainly due to cash from the Company's capital increase in the first phase.

- Asia Aviation total liabilities increased by 52 million baht due to expenses incurred from capital increase and shareholder restructuring.
- Shareholders' equity increased by 10,837 million baht to 14,040 million baht mainly resulting from the issuance of newly issued ordinary shares as well.

Consolidated Financial Statements of Asia Aviation

- Asia Aviation had total revenues of 4,508 million baht, a decrease of approximately 72% from 2020.
- Asia Aviation had a net loss for the year 2021 attributable to the Company's shareholders amounted to 6,647 million baht, increasing from a net loss of 4,764 million baht in the previous year, which is a basic loss per share of 1.2985 baht. Loss per share after discounting the convertible debentures already issued in December was at 1.2833 baht per share.
- In the Balance Sheet, total assets increased to 71,208 million baht, mainly due to cash from the Company's capital increase. In the meantime, non-current assets decrease from aircraft sales and leaseback. And there is amortisation of reserves for aircraft maintenance related to such transactions.
- Total liabilities reflected the increase in the restructuring of lease by extending the operating lease period of 25 aircraft in 2021.
- Shareholders' equity valuing 16,828.8 million baht is divided into 2 portions. One of which is the equity attributable to owners of Company valuing 20,201 million baht. The other portion is non-controlling interests of the subsidiary valuing deficit of 3,372 million baht.

There was neither further opinion nor question from the shareholders on this agenda. Then, Chairman requested that the Meeting approve the Balance Sheet (Statements of Financial Position) and Statements of Income for the year ended December 31, 2021 as presented; and informed that this agenda shall be approved with resolution of the majority votes of the shareholders, present and voting at the Meeting. The attendees who intend to vote as disagreement or abstention can press the voting button of the electronic system.

The Chairman of the Meeting informed the Meeting that to comply with the Public Company Act B.E. 2535 (1992), Section 120 that requires the Annual General Meeting of Shareholders to appoint an auditor and determine the audit fees of the Company every year. To appoint the auditor, the appointment of the same auditor can be made.

Mr. Phairat Pornpathananangoon, Chief Financial Officer, was asked to inform the Meeting.

Mr. Phairat Pornpathananangoon has reported to the Meeting that the Board of Directors and the Audit Committee have considered and selected the auditor from EY Office Limited to be the auditor of the Company for the year 2022. This is because the EY Office Limited is a leading account auditing company which is internationally accepted and has audit expertise, which includes making the audit of the AirAsia group to the same standard that will increase the cooperation efficiency. Anyhow, the audit company and the auditor proposed have no relationship or interest with the Company, executive or major shareholders or related to the mentioned persons.

Therefore, the Company should proposed to the Shareholders' Meeting to consider appointing auditors of the Company from EY Office Limited to be the Company's auditor for the year 2022 totaling 4 persons whose names are in the following name list:

- | | | |
|---|-----------------------------|---------------------------|
| 1 | Mrs. Kunlapee Piyawannasuth | CPA Registration No. 6137 |
| 2 | Mr. Termphong Opanaphan | CPA Registration No. 4501 |
| 3 | Miss Manee Rattanabunnakit | CPA Registration No. 5313 |
| 4 | Miss Kosum Cha-em | CPA Registration No. 6011 |

The auditor, Mrs. Kunlapee Piyawannasuth has certified the financial statement of the Company for 3 years in 2019 - 2021 and Mr. Termphong Opanaphan has certified the financial statement of the Company for 1 time in the year 2018. For the other 2 auditors i.e. Miss Manee Rattanabunnakit and Miss Kosum Cha-em have never certified the financial of the Company.

Anyhow, either the licensed auditors as mentioned above shall audit and give an opinion on the financial statement of the Company. In addition, in case the mentioned licensed auditors cannot perform their duties, the EY Office Limited shall provide other licensed auditors of the EY Office Limited to act as the auditor. This includes approval for the remuneration of the audit for the year 2022 and quarter review of the Company of 1.00 million baht, equal to the year 2021. The EY Office Limited has also been selected to be the audit company for the subsidiaries for the year 2021. Anyhow, the remuneration of the audit for the year 2022 and quarter review of the subsidiary is 4.0 million baht, equal to the year 2021. Moreover, there are other service fees such as inspection compliance with the terms of certificate of the Board of Investment (BOI) of 0.8 million baht. Thus, it has requested the Meeting to consider the approval of the mentioned items.

There was neither further opinion nor question from the shareholders on this agenda. Then, Chairman requested that the Meeting approve the appointment of the Company's external auditors and their remuneration for 2022 as presented; and informed that this agenda shall be approved with resolution of the majority votes of the shareholders, present and voting at the Meeting. The attendees who intend to vote as disagreement or abstention can press the voting button of the electronic system.

Agenda 7 To consider and approve the appointment of the Company's Directors to replace those who will retire by rotation in 2022

The Chairman of the Meeting asked Mr. Nuttawut Phowborom, Chairman of the Nomination and Remuneration Committee, to provide information to the shareholders.

Mr. Nuttawut Phowborom, Chairman of the Nomination and Remuneration Committee reported to the Meeting that as stipulated in the Public Limited Companies Act B.E. 2535, Section 71 and Article 17 of the Company's Articles of Associations, one-third of the Company's Directors must retire by rotation at each Annual General Meeting of Shareholders. The retiring Directors are eligible for re-election.

During the period December 1, 2021 - February 1, 2022 in accordance with the principle of good corporate governance policy relating to the promoting of shareholders' right, the Company invited its shareholders to nominate qualified persons to be elected as the Company's Director in advance. However, there were no shareholders who had proposed a qualified nominee to be elected as the Company's Director

In this the 2022 Annual General Meeting of Shareholders, there are 4 Directors retired by rotation as follows:

Agenda	Name of Directors	Positions held
7.1	Mr. Santisuk Klongchaiya	Executive Director
7.2	Mr. Veerayooth Bodharamik	Independent Director
7.3	Mr. Sirot Setabandhu	Independent Director
